ORDER:

The School Education Department have stated that a comprehensive survey has been conducted in all the identified 6500 Govt. High Schools in the entire state in respect of the strength of students per section in each class, in each school, district – wise etc., . Due to progressively increasing awareness in the population in general on the importance of education for their children, enrolment is at a very high level in high schools, particularly in the rural areas in the State, where parents have no any other option of sending their children to private schools, Further enrolment in Government sector high schools is very good. In many schools, the number of students in each section is so large so that the class – room is inadequate to accommodate the students, as a result of which the students are routinely sitting outside the class in the verandah, in front of the door to the class room from where they can see the teacher. Obviously, in such a position there would be no possibility of their seeing the blackboard.

2. Keeping – in view the extra – ordinary congestion in a substantially large number of Government sector High Schools in the State there is a need to take urgent – steps to provide quality education to the children of poor families, who enroll in Government sector High Schools, and it is overall social obligation to ensure that the quality of education in Government sector High Schools is comparable to that of private / corporate sector schools with teachers for all subjects.

3. Government after careful examination of the entire issue in order to strengthen the teaching staff in Government / Local body schools, hereby upgrade 15,584 posts of the Secondary Grade Teachers to that of School Assistants in the scale of Rs.7200 – 16925 and also hereby create 17,971 new posts of teachers (i.e., 12,210 School Assistants in the scale of Rs.7200 – 16925, 2,206 Physical Education Teachers in the scale of Rs.5470 – 12385 and 3,555 Language Pandits in the scale of Rs.5470 – 12385.

(P.T.O.)

::2::

4. The School Education Department shall take further necessary action accordingly.

5. Copy of this order is available on Internet and can be accessed at address "<http://www.ap.gov.in/goir>".
